

2025 ATLANTA FRINGE Festival

SCHEDULE AT-A-GLANCE

Helpful Hints:

- Atlanta Fringe shows start ON TIME. Be sure to give yourself plenty of time to get to the theatre. We can't hold the door for any reason and some artists don't allow late seating. We want you to see your awesome show!
- Some of our theatres are walking distance from each other, so we recommend taking advantage of that while checking out multiple shows! Just dress comfy and hydrate - it's hot out here, y'all.
