And now a word from our EXECUTIVE DIRECTOR

We took a leap this year, y'all. A HUGE leap from 112 showtimes in 5 days to more than 375 in 11 days. And like any risk, it was scary, and hard! But thanks to our amazing Fringe community – from our venue partners and artists to our staff and audience members – this growth spurt has also been incredibly rewarding. The enthusiastic support and excitement from so many corners has been so encouraging, and I could not be more grateful.

Plus, this means MORE FRINGE, and who doesn't want that?? With so many incredible shows to see, I feel sure that there's something on the lineup for everyone; a story, a song, an act, or a moment that will have you leaving on

a high, feeling dazed by a deep truth told well, feeling motivated or excited or thoughtful, feeling good.

I think we need more of that - more good feelings. With so many forces working to divide and isolate us from each other, this act of leaving your house, of sitting in this shared space and walking (or, in this case, sitting) for a little while together, isn't just essential, it's a little revolution. Maybe that sounds laughable. But I truly believe that it's when we're together sharing space and stories that we see each other most clearly, and that we enjoy each other the most.

So thank you for leaving the house, for dealing with the traffic and parking and weather and child care and chores.

It's all going to be so worth it. For the next eleven days, we have nearly 400 chances to laugh and cry and glow and grow together. And I'm so glad to be doing all of that with you.

Love,

DIANA BROWN

Most tickets are \$15 (Five/5ths tickets are \$25 online, \$30 at the door). We strongly encourage buying your tickets online at AtlantaFringe.org. The box office at each venue opens one hour before the first show of the day. At-the-door tickets for each show will be on sale approximately 45 minutes before showtime. We will not be accepting cash.

WHAT IF I WANT A FESTIVAL PASS?

Multi-show passes are available online at AtlantaFringe.org, at Fringe HQ, or at each venue. Passes are a great way to see more shows for less dough! Plus, you can share them with your friends and they're good for some cool deals around town!

6 Show Pass: \$90

10 shows for the price of 8!

DID YOU KNOW?

Artists keep almost all of their ticket sales!

That means your ticket directly supports the artist you're seeing - but it also means that Fringe relies heavily on donations, grants, and merchandise to make this festival happen. Become a donor today to ensure a Fringe future!

SEATING INFO

SEATING POLICY

Seating is general admission for each and every show, for single ticket buyers and pass holders. Unclaimed pre-purchased tickets will be RELEASED 5 minutes before show time. Late seating will be at the discretion of each production, per the artists' choice—so it's not guaranteed. Be sure to plan accordingly!

Every person (adults and children ages 2 & up) attending a Fringe performance must have a ticket. Children under age 2 are free. In the event of sold-out performances, children under 2 are expected to sit in their parent's lap. Car seats or carriers will not be allowed to take up seats.

Kids Fringe is, of course, free, but please reserve your

seats at AtlantaFringe.org in advance for capacity reasons.

WHAT IF I SHOW UP LATE?

All shows in the Atlanta Fringe Festival start ON TIME. We do not hold houses because it would throw the whole schedule off course. We all know Atlanta traffic can be atrocious. Please give yourself plenty of time to get to your venue and park. Most productions perform 6 times; if you miss one showtime, you'll have other opportunities to see it. All sales are final. We do not issue refunds, but you may exchange your ticket for another showtime for the same production.

This playfully sardonic piece looks at (among other things), Asian American identity, the whitewashing of the environmental movement, and why conversations about race in the US often grind to a halt.
